

Home Pros Share Their Goals for 2023

They aim to strengthen relationships with clients, promote greater sustainability and strike the right work-life balance

Becky Harris December 29, 2022

Houzz Contributor. Hi there! I live in a 1940s cottage in Atlanta that I'll describe as "collected."...[More](#)

After asking home professionals on Houzz about [their proudest achievements in 2022](#), we asked pros what their goals for 2023 were. In addition to improving marketing, increasing their networks, expanding their teams and pushing their boundaries, they also opened up about personal goals. Take a look to see if their goals inspire ideas for the coming year, and please keep the conversation going by sharing your own goals in the Comments.

“My professional goal for 2023 is to give more focus to each client project, carefully and thoughtfully making great selections of quality, comfort and longevity,” says interior designer Perry Walter of [Walter Studio Interior Design](#). Above is a bathroom he designed in his home city of Atlanta.

Work-life balance is important to him too. “Personal goals for the upcoming year are to reconnect with friends and value the time we have together. And to be present in the moment,” he says.
